PROFILE

Content Writer of Fourhub. Writes the words for the team's projects in simple language so everyone can understand the ideas, and reads every piece again to fix mistakes before it is shared.

WHAT I DO IN THE TEAM

- Writes the words and stories
- Uses simple words everyone understands
- Reads the work again to fix mistakes

TEAM PROJECT

FourHub is the web portfolio of Fourhub, built with HTML and CSS in orange and black. My role in the project is **Content Writer**.
